

## **ASSESSORS ROLE DESCRIPTION**

- Make the Commission aware of any relevant local matter concerning crofting in their area that they consider is of use such as what the level of demand for crofts is, land use concerns and so on.
- Be able to respond to queries from the Commission on general topics such as issues with crofting legislation, occupation of croft land, shared management of common grazings.
- Liaise with grazings committees in the local area regarding issues that affect them.
- Be available to crofters and able to signpost them to the Commission's and other services.
- Respond to queries from the Commission regarding specific cases where local insight may help contribute to the consideration of the case.
- Aid staff from local Area SGRPID Offices who are in the area engaged on Commission business.
- Help the Commission by providing local information related to any work or investigations related to crofters' duties to be resident, to cultivate and maintain and not to neglect their croft.
- Attend Commission Hearings that take place in the local area for awareness.
- Attend any local, or other, meetings held by the Commission to which they are invited in order to engage in debate and discussion on matters affecting crofting.
- Pass on any information from the Commission in their local area to raise awareness.
